Specifications:

Work shall commence on or before May 1 of each year. Once work begins, the contractor shall daily (weather permitting) have one or more sweepers working towards job completion.

Night sweeping is permissible and encouraged. Sweeping in residential areas is allowed from 6:00 am to 10:00 p.m., Monday through Saturday.

Sweeping on the right-of-way is straight across driveway openings. At street/road intersections, the contractor shall sweep the entire radii.

Dump sites shall be provided within reasonable distances from sweeping areas and the contractor shall be responsible for transport to these sites.
