

POLICY

NO. 2022 – 003

SUBJECT: MAILBOX REPLACEMENT

The following is a policy of the Emmet County Road Commission regarding mailbox replacement.

The Emmet County Road Commission will replace mailbox installations only if physically struck by Emmet County Road Commission equipment. The foreman will investigate the damage and determine whether Road Commission equipment impacted the mailbox installation. In the event the foreman is not available to investigate the incident, the property owner shall deliver the damaged items to the Road Commission for proof of Road Commission equipment damage. The Road Commission will not replace equipment impacted by plowed snow or other debris.

The Road Commission will pay the property owner thirty dollars (\$30.00) for a damaged mailbox and twenty dollars (\$20.00) for a damaged post.
